Thirteen Austrians are in jail at Winchester for failure to obey the mandatory injunction issued by Judge Benton requiring them to work out the railroad fares the contractors paid for them The contractors stated that they had brought the men with the understanding that they were to be paid \$1.75 per day, but that after the men arrived they were offered \$2 per day by another con tractor and were in the act of leaving to work for their new employer, when papers were secured. They are to remain in jail till the December court or until they obey the injunction. A very righteous decision.
